

SPACE TO LISTEN

November

Each month the Diocese of Manchester will be exploring prayer on a different theme, shaped by a three-fold invitation to **Pray, Act and Be**. We invite you to join us in a year-long pilgrimage of hope, longing and discernment.

PRAY

Join Revd Liz Devall in a reflective service of silence and contemplation **every Sunday in November**. Join in on Facebook by scanning the **QR code** below.

ACT

Find space and silence to listen to the words of others. Create the opportunity for someone else to experience space and silence.

BE

Be open to hearing what God has to share with you in times of quiet spaciousness. Be still.

Share your experiences!

As we come together in prayer, we would love to see your response to our November theme. Share your prayers, thoughts and creative responses on social media using the hashtags:
